- Limited attendance according to governmental guidelines
- Common areas are ventilated every day
- Contactless payments are possible and preferable. Possibility to book online (depending on the campsite chosen)
- Traffic and flow directions will be indicated depending on the type of structure
- Sanitary measures and distancing rules will be displayed in all common areas

### SANITARY BLOCKS

- Limited attendance according to governmental guidelines
- Intensification of the cleaning frequency, focusing even more on the disinfection of doors handles, taps...
- Prevention display

### ACCOMMODATION

- Laundry service (if available depending on the campsite): bed sheets pick-up will be framed (bags provided to the clients in order to drop their used sheets on departure)
- As much as possible, respecting a slot of 3 hours before picking up the used sheets
- As much as possible, rotation of the accommodation booked according to the occupation rate and touristic attendance, in order to let the chalet with no one inside as long as possible.
- Chalets are being ventilated after every departure
- Intensification of the cleaning frequency, focusing even more on contact points.

### SERVICES

- Grocery shop / bread service: available according to governmental and local guidelines
- Activities and animations for adults and children: groups cannot exceed 10 pax. Sportive activities in groups are not allowed.

### SANITARY MEASURES FOR THE CAMPSITE STAFF

- A person will be responsible for following up sanitary measures and making sure these are respected. This person will also be in charge of restocking equipments and products when needed.
- Desks are disinfected every day (a few times a day) and adapted according to the Ministry of Labour's guidelines.
- Sanitary measures will be displayed to inform the clients on the sanitary procedures as well as alerting on social distancing (hand cleaning etc).
- Using of products and safety equipment : alcohol-based hand sanitizer and masks provided to the staff as well as gloves, Plexiglas screens set up at the reception.
